

Chemistry Teaching for Secondary Education

Official Program Checksheet

Why Choose Teaching Minors for Secondary Education Majors

The Secondary Education program requires the completion of a teaching major and a teaching minor to fulfill the subject area requirements of the program.

Admission Requirements

Secondary Education majors may choose an appropriate teaching majors from the following areas: accounting, biology, business, chemistry, English, geography, history, marketing, mathematics, political science or social studies.

You cannot have a chemistry teaching major with this minor.

Graduation Requirements

A 2.50 GPA is required for successful completion of the chemistry teaching minor.
