Secondary Education Spanish

Why Choose Secondary Education Spanish?

The Spanish Education Minor prepares future teachers to communicate with prospective students in the target language in a simple, but efficient way, the basics of the language grammar, vocabulary, culture, and important aspects of the Hispanic world. A highlight of the program is the Spanish pedagogy class, which entails a variety of examples and classroom like scenarios where students have hands-on experiences to become familiar with the current trends and approaches of a second language acquisition.

Admission Requirements

The Secondary Education program requires the completion of a teaching major and a teaching minor to fulfill the subject area requirements of the program.

Secondary Education majors may choose an appropriate teaching minors from the following areas: biology, chemistry, English, geography, history, mathematics, physical education, political science, spanish, or speech communication.

Graduation Requirements

A 2.75 GPA is required for satisfactory completion of the Spanish teaching minor. No grade lower than a "C".
