Elementary Education Planned Program

Why Choose Teaching Majors and Minors for Elementary Education Majors

This program is no longer admitting students

The Elementary Education program requires the completion of two elementary education teaching minors in addition to a planned program minor to fulfill the subject area requirements of the program. Students may choose from the subject areas of mathematics, social studies, and language arts.

Admission Requirements

The early childhood minor is an optional minor and is in addition to the subject area major or minors required.

See Elementary Education, Bachelor of Science for additional program details.

Graduation Requirements

A 2.75 GPA is required to successfully complete the planned program minor.

No grade less than a "C" in any course.
