Why Choose a Marketing Associate in Applied Science

The Marketing Associates degree introduces students to business foundational concepts and the basic marketing related disciplines. Students will take a combination of general education courses, business foundation courses, and marketing courses with an opportunity to select electives that meet their professional interests in the marketing field.

Career Opportunities

Graduates are prepared for entry-level positions in Marketing and related fields of Customer Service, Sales, and Retailing.

Students completing their marketing associate’s degree are prepared to enter a four year degree program in Marketing with concentrations in Retailing, Digital Marketing, Sales, or Sports Marketing; Public Relations; or Advertising/Integrated Marketing Communications.
