

## **Mathematics for Elementary Education**

Required Courses

### **Why Choose Teaching Majors and Minors for Elementary Education Majors**

The Elementary Education program requires the completion of two elementary education teaching minors in addition to a planned program to fulfill the subject area requirements of the program. Students may choose from the subject areas of mathematics, social studies, and language arts.

### **Admission Requirements**

The early childhood minor is an optional minor and is in addition to the subject area major or minors required.

See Elementary Education, Bachelor of Science for additional program details.

### **Graduation Requirements**

A 2.75 GPA is required in the above minor.

No grade less than "C" in any course.
