

## **Chemistry Teaching for Secondary Education**

Required Courses

### **Why Choose Teaching Minors for Secondary Education Majors**

The Secondary Education program requires the completion of a teaching major and a teaching minor to fulfill the subject area requirements of the program.

### **Admission Requirements**

Secondary Education majors may choose an appropriate teaching majors from the following areas: biology; business, management, marketing and technology; English; geography; history; mathematics; political science; or social studies.

You cannot have a chemistry teaching major with this minor.

### **Graduation Requirements**

A 2.50 GPA is required for successful completion of the chemistry teaching minor.
