Teaching Majors and Minors for Elementary Education Majors

The Elementary Education program requires the completion of two elementary education teaching minors or one elementary education teaching major in addition to a planned program to fulfill the subject area requirements of the program. Students may choose from the subject areas of biology, mathematics, social studies, English, language arts, and early childhood. Elementary education teaching majors are only available in the subject areas of biology, mathematics, and social studies. The early childhood minor is an optional minor and is in addition to the subject area major or minors required.

See Elementary Education, Bachelor of Science for additional program details.

You cannot have a math teaching major with this teaching minor.

A 2.75 GPA is required in the above minor.
