

Secondary Education Biology Minor • *Minor*

Teaching Minors for Secondary Education Majors

The Secondary Education program requires the completion of a teaching major and a teaching minor to fulfill the subject area requirements of the program.

Secondary Education majors may choose appropriate teaching minors from the following areas: accounting, biology, general business, chemistry, English, history, marketing/distributive education, mathematics, physical education/coaching, physics, Spanish or speech communication.

You cannot have a biology teaching major with this minor.

A 2.50 GPA is required for successful completion of this minor.
